

LAURA ASHLEY

A bathroom scene featuring a white bathtub, a wooden side table with flowers, and patterned floor tiles. The wall is covered in large, light gray rectangular tiles. The floor is covered in small, light gray square tiles with a white geometric pattern. A white bathtub is on the right, with a chrome faucet and a gray towel draped over the edge. To the left of the tub is a small, round, light-colored wooden side table with three legs. On the table is a clear glass vase with white hydrangeas and a small glass of yellow liquid. In the bottom left corner is a light-colored wicker basket with a handle.

TILE COLLECTION

our STORY

.....

The Laura Ashley tile collection is the perfect finishing touch for any room in the home, and has been designed to complement a wide range of Laura Ashley furniture and accessories, as well as paints and wallpapers. With coordinating ranges of patterned feature tiles, plain tiles and decorative borders you will be sure to find a look that's right for you.

From classic floral patterns and elegant damasks, to rustic high gloss tiles in a palette of soft, muted shades, the range epitomises the characteristic style and attention to detail that is synonymous with Laura Ashley.

To create this collection Laura Ashley have collaborated with the UK's leading tile manufacturer, British Ceramic Tile. The result is a range of beautifully designed and carefully crafted ceramic tiles, the majority of which are made in Britain.
