

LAURA ASHLEY

A kitchen scene featuring a stainless steel oven with a patterned backsplash and floor tiles. The oven is the central focus, with a white towel hanging from its handle. The backsplash and floor tiles have a matching geometric pattern. The kitchen cabinets are a light blue-grey color, and the countertop is white. Various kitchen items like jars of nuts and a cutting board are visible on the counter.

SPLASHBACK COLLECTION

our STORY

.....

The Laura Ashley Splashback Collection is the perfect finishing touch for your kitchen or bathroom, having been designed to complement a wide range of Laura Ashley paint and accessories. With coordinating ranges of patterned wall and floor tiles, you will be sure to find a splashback to complete your room.

From geometric prints and floral patterns, to muted tones and metallics, the range epitomises the characteristic style and attention to detail that is synonymous with Laura Ashley.

To create this collection Laura Ashley have collaborated with the UK's leading tile manufacturer, British Ceramic Tile. The result is a range of beautifully designed and carefully crafted splashbacks, the majority of which are made in Britain.
